## 01. Footnote for uncertain tax position under FIN 48 (Part X)

The Association is exempt from Federal income tax under section 501(c)(3) of the internal

revenue code. Income taxes are payable only on business activity income unrelated to the

Association's tax exempt purpose. There was no unrelated business income tax expense for

the year. Accounting principles generally accepted in the United States of America require

the association to evaluate tax positions taken and recognize a tax liability if it is

more likely than not that uncertain tax positions taken would not be sustained upon

examination by taxing authorities.

The Association has analyzed tax positions taken and has concluded that there are no

uncertain tax

positions taken or expected to be taken that would require recognition of a liability or

disclosure in the financial statements. The Association had no interest and penalties

related to income taxes for the year. The Association is subject to routine audits by

taxing jurisdictions, however, there are currently no audits for any tax periods in

progress. Generally, the Association's tax returns remain open for three years for Federal

and State examination.
